Sachem Central School District

Hiawatha Elementary School

June 11, 2020

Dear Hiawatha families,

With the end of the school year rapidly approaching, the staff at Hiawatha will be collecting materials to take inventory and prepare for September. We have scheduled two dates, June 22nd and 23rd from 8am-12pm, for families to return instruments and any other borrowed school property. This includes musical instruments, library books, and any other borrowed school property you may have at home. **This does not include the collection of Sachem laptops. These will be collected at a later date as the district is still in the process of deciding the best plan to get this accomplished.** Please make sure all instruments are clearly labeled so our staff members can record each returned item. At that time, you will be able to pick up any uncollected items from the building. This will be your last opportunity to do so.

During the day and time you are planning to come to Hiawatha, please pull into the bus loop and down to where we will have a table set up. Staff members will be waiting for you and will retrieve items from your car to minimize any unnecessary contact. ****Please do not exit your car at any time.****

As stated in previous communication from the district, all individuals must wear a mask when on Sachem property. Also, we all must adhere to the strict social distancing guidelines set forth by the state.

Thank you in advance for all your cooperation and we miss seeing our Hiawatha families!

Stay safe and be well,

Andrew Larson
