Student Early College Program Procedures and Responsibilities:

Students are notified of their acceptance decision into Suffolk's Early College Program by one of Suffolk's Early College Program counselors/liaisons, via the student's e-mail as provided on the student application.

Through Suffolk's Early College Program, students are limited to one Summer Session II course during their first year in the program, and under recommendation of Suffolk's Early College Program counselor, two Summer Session II courses during their second year.

Upon registration into Suffolk's ECP courses, students will receive a bill mailed to the mailing address as provided on the student's application. Students are responsible for paying their tuition bill **on time** to maintain registration in their classes. Tuition for students enrolled in Suffolk's Early College Program is a reduced rate of approximately 1/3 of the in-county part-time tuition for that year plus course related fees. **There is an additional \$75 Distance Fee for online classes.** Students not enrolled or not accepted into Suffolk's Early College Program are welcome to take courses at Suffolk, however they would follow the general admissions process, and pay regular college tuition.

Please take note of the timeline, policies and due dates as course registration and tuition payments are binding and non-refundable after college drop/add/withdrawal and refund policy dates.
