We invite you to join us for activities and programs throughout the school year to celebrate your child's successes.

SACHEM CODE OF CHARACTER (Sachem Board of Education Policy [5300](#))

The Board of Education is committed to providing a safe and orderly school environment where students may receive, and district personnel may deliver, quality educational services without disruption or interference. Responsible behavior by students, teachers, other district personnel, parents and other visitors is essential to achieving this goal.

The Board of Education deems it a priority to clearly define these expectations for acceptable conduct on school property, identify the possible consequences of unacceptable conduct, and to ensure that discipline, when necessary, is administered promptly and fairly. To this end, the Board of Education adopts this Code of Character. Unless otherwise indicated, this Code applies to all students, school personnel, parents/persons in parental relation, and other visitors when on school property or attending a school function.

The Code of Character has incorporated the Dignity for All Students Act (DASA) which was created to give students an educational environment free of discrimination, bullying, and harassment.

GRUNDY PARENT TEACHER ASSOCIATION

PTA President: Christina Schwingl
ptapresident@grundypta.org

Grundy's active PTA contributes to the success of the school in many ways. Through PTA programs such as Book Fairs, School Pictures, Holiday Boutique, Mother's Day Plant Sale, Wingo, etc., our various cultural arts programs and family activities are sponsored. The variety of PTA fundraisers throughout the school year help enrich the student experience and strengthen the connection between the community and the school.

GRUNDY INFORMATION

Grundy's school day begins at **8:50 AM** and ends at **3:20 PM**. Supervision will not be provided for students on school grounds when school is not in session.

ARRIVAL

- Bus: If you are planning to use district transportation, your child's bus stop pick up time will be provided to you by the Transportation Department.
- Drop-Off:
 - Teachers have been assigned morning arrival duty starting at **8:50 AM** when the building opens for students. Therefore, students will not be allowed in the building until **8:50 AM** when they may be supervised by staff on duty. ***To ensure your child's safety, please do not drop off prior to when teachers are visibly on duty.***
 - The exception to this is for cars waiting in the drop-off line. Like last year, staff will be on duty at the drop-off line starting at **8:47 AM** to begin escorting students out of cars and into the building through the main entrance. This will hopefully help us avoid lines of cars on Grundy Ave.
 - Follow directions of staff on duty, and be sure to proceed safely into and out of the visitor parking lot using the crosswalk.
 - Remain in your vehicle while your child is released to a staff member. Students must exit from the RIGHT side of the vehicle. Please exit the parking lot immediately after your child leaves the car. Students will be supervised by staff as they use the main entrance.
 - Unless previously-scheduled with a teacher, children may not be dropped off at school and left unattended before **8:47. AM**.
- Walkers: If you are walking your child to school, please bring them to the main entrance. If your child is in Kindergarten, you can bring them to the doors outside the Kindergarten wing at the south end of the building. Staff will be present to welcome your child.
- If your child arrives after **9:00 AM**, you must come to the building with your child to sign him/her in.

DISMISSAL

- Bus: Buses will typically leave Grundy by **3:25 PM**.
- Walker Pick-Up:
 - Walker dismissal will begin at **3:15 PM**
 - Grades K-1 will dismiss from the exterior door at the south end of the building.
 - Grades 2-5 will dismiss from the exterior door at the north end of the building.
 - Parking is not permitted in the staff lot **or the driveway that leads to the staff lot.**
 - Parents picking up their children from the walker line should leave the area immediately once they have their children. Please do not congregate on school property. Please make sure when heading to your cars that you do not cut through cars or buses and that you safely leave school grounds and utilize our school crossing guard should you need to cross Grundy Avenue.

- Please make every effort to keep your child's transportation arrangements as consistent as possible and not change your child's transportation at the last minute.
- Students cannot be released to anyone but their legal parent/guardian or persons listed on their emergency contact card unless we have written documentation from the parent/guardian stating the full name of the person given permission.
- Notes to the teacher and/or Principal giving permission for a change of dismissal plans should include child's full name, full name of person picking up student, date of pick up and full name of parent signing note and is needed for the following situations:
 - A change of after care schedule
 - Your child is remaining after school for an activity
 - Children riding bicycles (with bicycle helmet) to school rather than riding the bus or walking. The school cannot be responsible for any lost or damaged bicycles. All bicycles should be locked when parked in the racks.
- Early dismissal: Parents should send a note with the child stating the date and time of pick up so the teacher can have him/her ready. Children will not be called down until the parent is in the building.
- **Please do not pick up your child later than 2:45 PM in order to avoid disrupting bus departures and classrooms' end-of-day activities.**
- Please send a written note as opposed to an email or Remind message for these purposes as teachers are unable to regularly access their email throughout the school day.

WALKER SAFETY

Students should make it a habit to:

- Wait for help from the crossing guard if crossing at an intersection.
- Walk on the left facing traffic.
- Look right and left before crossing streets.
- Cross at the street corners and never between parked cars.
- Never accept rides from strangers.
- Go directly home after school.
- Plan the safest, most direct route home.
- Parents of students fighting, running around, or otherwise endangering the safety of others will be called.

SCHOOL NURSE

Jolly Itty, RN jitty@sachem.edu
 (631) 471-1820, ext. 1

The nurse is available for any health issues that occur during the school day. If your child develops a health problem or goes on medication during the year, please notify the nurse's office. Also notify the nurse of any health information about your child (such as recent surgery or injury, new medical diagnoses, allergies, side effects of medication they are currently taking, etc.). At no time should your child be sent to school with medication, an adult must bring medication to school. If your child must take medication during the day, the school nurse must receive a doctor's order with instructions for dispensing (including Tylenol, throat lozenges, etc.). Please make sure that injuries which occur at home (minor cuts, bites, burns, etc.) are taken care of before school.

Personal hygiene is important. Please help your child take pride in their bodily appearance.

The **Emergency Information Card** requires three contacts to assume care of your child if you cannot be reached. Be sure persons listed are aware of their responsibilities and will be able to pick up your child during school hours. ***If there are any phone number changes, please notify the nurse, main office and update this information in the eSchool parent portal.***

Medical Information:

- Illness/Injuries:

- Do not send your child to school if he or she:
 - Has vomiting and/or has diarrhea within the last 24 hours or is nauseous.
 - Has a fever above 100.0 taken by mouth or chills. The child should remain home until they are fever free for 24 hours without any fever reducing medication. Please do not medicate a fever prior to school, when the medication wears off, the fever may return and you will be called to come pick up your child.

 - If you find your child is frequently asking to stay home from school or appears anxious about school, and there does not appear to be any physical symptoms, contact the nurse or your healthcare provider to discuss your concerns.
- If your child has been restricted from activities due to illness, surgery or injury, a physician's note is required to excuse them from Physical Education. The note should include the diagnosis, length of time restriction is in effect, and specify the use of crutches, wheelchair, walking boot etc. if applicable. ***Please note, Physical Education restrictions apply to outdoor recess as well.***
- Food allergies: There are an increasing number of children with food allergies. There are food allergy guidelines in place to ensure all students are safe while in school. This includes an allergy table in the cafeteria. If a classroom has a student with a severe food allergy, that classroom will be deemed allergen free. A letter will be sent home requesting that certain foods not be eaten in that classroom. Please refrain from sending those items into school for snack. If your child has food allergies, please be sure the school nurse is aware.
- Medication: If your child requires medication while at school, there must be a written order from a physician, and written permission from the parent on file in the health office.

- **Screenings:**
 - **Hearing/Vision:**
 - NY State Education Law requires students receive vision/hearing screenings. The purpose of this requirement is to detect the presence of vision/hearing problems likely to impede a student's learning. If the results of the screening indicates that your child requires further follow up, you will receive written notification from the nurses office.
 - The screenings done on each grade level are as follows:
 - Kindergarten: near/distance vision, color perception, hearing

The screening will be conducted by the nurse during your child's physical education class. You may elect to have your own physician do the screening, but the school will need documentation from your doctor of the results or your child will be screened.

ATTENDANCE REQUIREMENTS/PROCEDURES (Sachem Board of Education Policy [5100](#))

Regular school attendance is a major component of academic success. Students who develop a pattern of absences/tardiness shall have their parents/guardians contacted, shall be reminded of the attendance policy, and will be told that the students are subject to the school disciplinary policy. The school administration shall send written notification to the student's parents/guardians expressing concern about the impact of excessive absences or tardiness on the student's education. The district will share this policy with local Child Protective Services (CPS) to ensure a common understanding of excused and unexcused ATEDs (unexcused absences, tardiness and early departures) and to work toward identifying and addressing cases of educational neglect.

Punctuality and good attendance are important to your child's success in school. Parents should make every effort to have their children in school on time every day. Tardiness is disruptive to the classroom and has an adverse effect on a child's educational progress. New York State attendance laws require a written excuse each time a student is tardy or absent from school.

- Lateness to school: Regulations require a note by a parent for a student's lateness to school. Students arriving late must be escorted into the building and must sign the child into school with the hallway monitor in the security vestibule.
- Phone call when a child is absent: The parent/guardian should contact the school nurse, Mrs. Itty, at (631) 471-1820 ext. 1.
- Returning to school after an absence: Students must bring a written excuse signed by a parent/guardian to his or her classroom teacher. If a child is absent for more than five days, a doctor's note is required.

EMERGENCY SCHOOL CLOSINGS, DELAYED OPENING AND EARLY DISMISSAL

Emergency school closings, delayed openings and early dismissals will be communicated via School Messenger. This system utilizes the information parents enter into the parent portal for contact purposes.

Please note that in the case of a 2-hour delayed opening, students should be at bus stops 2 hours from their regular pick up time and students will be able to enter the building at 10:45 AM and school will start at 10:50 AM.

In the event of an emergency early dismissal, the early dismissal time is determined by the school district. All students will be placed on their assigned school bus even if they do not typically use bus transportation, and PM Childcare ("Aftercare") will be canceled. All parents should have an alternate plan in place in case of early school closings. Children should know this plan in advance.

ESCHOOL PARENT PORTAL

Please be sure to access the eSchool Parent Portal for each of your school-age students and keep it updated with current contact information as this is the contact information the building/district will use to contact you. [Click here](#) to access the Parent Portal.

SCHOOL MESSENGER

School Messenger is utilized as Sachem's emergency contact system. Parents will receive automated calls/emails through this system in the case of an emergency and/or special events/updates. The School Messenger system utilizes the email addresses and phone numbers on the Parent Portal, so please be sure your contact information is up to date.
