What is it?

Family Connection is a web based service that assists students and families with the post high school planning process. It allows students and parents to access the following information from home:

- * College Acceptance Data-Compare your GPA, standardized test scores and other statistics with data from actual students who have applied to colleges you are considering.
- * Keep track of colleges that will be visiting Sachem High Schools and meet those representatives.
- * Access scholarship information from home and apply for scholarships that will assist to cover colleges expenses.
- * Explore interest and careers.

How do I access it ?

Naviance can be accessed via your respective home school's main page.

What can I do once I have created an account?

- * Review "scattergrams" of college acceptances with GPA and SAT/ACT information.
- * Track deadline dates and stay organized.
- * Review college visit schedules and plan to attend those that interest you.
- * Identify scholarship opportunities for which you qualify.
- * Search colleges and obtain important information about programs, contact names and requirements.
- * Get important e-mail updates from your High School Counseling Office.
- * Student/College Resumes
- * Interest and Career Inventories

Included in your account:

- * College Search
- * College Compare
- * Scholarship Match
- * College Visits
- * Record of your SAT/ACT/AP/PSAT Scores
- * Scattergrams
- * College Maps
- * College Acceptance History
- * E-mail Messages

And More!!!
