April 2019

Dear Students, Parents and College Representatives:

Welcome to Sachem's 43rd Annual College Night. This evening's College Night is the main event in the post high school planning process. We hope our students and their families take time to review the information included in this book and spend time with representatives from a variety of institutions in order to gain information and develop goals. Students have many options and, with over one hundred forty colleges and career schools represented tonight, there is enough diversity to meet all of our students' needs.

We are extremely proud of the accomplishments of the Sachem graduates. Approximately, 86% of our students will attend college next year and another 8% report that they will be employed full-time.

Sachem High School graduates are attending many colleges/universities represented here this evening including **Adelphi University, Albertus Magnus, Bard College, Castleton University, Cazenovia College, Drexel University, Embry Riddle Aeronautical University, Emmanuel College, Fashion Institute of Design and Merchandising, Five Towns College, Florida Southern College, Hartwick College, Hofstra University, Iona College, Island Drafting and Technical Institute, Ithaca College, Johnson & Wales, Kean University, Lasell College, Le Moyne College, Long Island University Post & Brooklyn, Marist College, Molloy College, Pennsylvania State University, Purdue University, Quinnipiac University, Rochester Institute of Technology, Sacred Heart University, Savannah College of Art & Design, St. Joseph's College, St. Thomas Aquinas College, Suffolk County Community College, Towson University, University of California, University of Maine, University of South Carolina, University of Tampa, Ursinus College, Wagner College, York College of Pennsylvania and many SUNY and CUNY colleges and universities.**

Please take full advantage of the opportunities afforded to you tonight. Also, please feel free to contact our Guidance Office to make an appointment with your son's/daughter's counselor for further information concerning college and career placement.

Sincerely,

Anthony J. Mauro, Ed.D.
Assistant Superintendent for
Student Support & Administration

Meeting with college representatives affords you the opportunity to inquire about scholastic programs, admissions policies, financial aid, campus culture and student population. In order to choose an institution intelligently, it is important to consider your options carefully. We encourage you to select a path that best suits your academic goals and personal expectations. The following are suggested questions to consider when speaking to college representatives.

~ Academics ~

What different types of programs do you offer?
What are the most popular majors?
What high school courses do you require/recommend?
What was the average GPA for the current freshman class?
What is the average class size?
Is there an Honors program? If so, what are the qualifications?
Do you provide special support services for students with disabilities?

~ Admissions ~

If inquiring about a certain program, be sure to inquire about specific requirements
Which entrance tests are required and what range of scores are accepted?
Are SAT II's (Subject Tests) required/recommended?
What is the required GPA?
Are letters of recommendation and/or personal interviews required?
When are the application deadlines?

~ Financial Aid & Costs ~

What is the current tuition?
What is the cost for room and board? Meal plans?
What types of financial aid are offered?
What types of paperwork is required to apply for financial aid?
What percent of students receive financial aid based on financial need?
Do you offer tuition payment plans?
What types of scholarships and grants are available?
Do you offer work-study programs?

~ Campus Culture & Student Population ~

What is the geographic location of the school and what is the size?
Where do most of the students come from?
What is the percentage of students who live on campus?
What type of housing is available? Is it guaranteed?
Can freshman have cars?
What types of student activities are available?
What interscholastic and intramural teams do you have?
Are music programs available?
Are religious services available for all denominational groups?
Are there career and personal counseling services available?

Do you have a campus visitation program?

Naviance Student

Sachem is pleased to introduce **Naviance Student**, a web based service designed especially for students and parents. Naviance Student is a comprehensive website that you and your child can use to help in making decisions about courses, colleges, and careers. Naviance Student is linked with Counselor's Office, a service that we use in our Guidance office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to Sachem.

Naviance Student will allow parents and students to:

- **Find colleges with your major, sport, academic profile, etc.**
- **Research colleges by comparing GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past**
- **Sign up for college visits. Find out which colleges are sending representatives to our school and sign up to attend those sessions**
- **Access Scholarship Information by obtaining information about available scholarships including application information, deadlines and requirements**
- **Link to selected third party resources such as College Board, financial aid sites, etc.**
- **View your PSAT, SAT, ACT and/or Subject Test scores**
- **Access "My Colleges" which allows you to search and research colleges that you are considering**
- **Compare colleges and conduct advanced college searches**
- **View Scattergram charts comparing your GPA and test scores to those students who have applied and have been accepted, waitlisted or denied at the college of your choice**
- **Access Financial Aid information**
- **Share information about upcoming meetings and events, local scholarship opportunities, and other Web resources for college and career information**

If you need assistance accessing your account, please contact Information Systems at 631-471-1360.

COLLEGE AWARD LETTER COMPARISON WORKSHEET

STUDENT NAME _____

STEP 1: Get organized. List each school you're considering and its deadline for responding.

	College 1	College 2	College 3
College Name	_____	_____	_____
Response Deadline	_____	_____	_____

STEP 2: Estimate your total cost of attendance. This information should be in your award letter. If you have not yet received an award letter, refer to the college catalog for estimating the cost of attendance, or call the financial aid office.

Tuition and fees	\$ _____	\$ _____	\$ _____
Books and supplies	\$ _____	\$ _____	\$ _____
Room and board	\$ _____	\$ _____	\$ _____
Transportation	\$ _____	\$ _____	\$ _____
Personal Expenses	\$ _____	\$ _____	\$ _____

Total Cost of Attendance	\$ _____	\$ _____	\$ _____
---------------------------------	----------	----------	----------

STEP 3: Break down the details of your award offers. For each school you're considering, list the components of the "package" you're offered. Remember, grants and scholarships don't have to be repaid; all loans must be repaid; work-study funds are earned.

Pell	\$ _____	\$ _____	\$ _____
FSEOG	\$ _____	\$ _____	\$ _____
TAP	\$ _____	\$ _____	\$ _____
College Awards	\$ _____	\$ _____	\$ _____

Other Loans	\$ _____	\$ _____	\$ _____
Work-Study/Service Award	\$ _____	\$ _____	\$ _____

Total Financial Aid Offered	\$ _____	\$ _____	\$ _____
------------------------------------	----------	----------	----------

STEP 4: Determine your actual cost. Subtract the total financial aid offered from the total cost of attendance. That's your "net cost," or what it will cost you to attend that school.

Total cost of attendance	\$ _____	\$ _____	\$ _____
(assumes campus housing)			
minus	minus	minus	minus
Total financial aid offered	\$ _____	\$ _____	\$ _____
