

# Make-a Wish

Dear parents and students,

We are excited to once again invite all Merrimac students and their siblings to participate in the annual Believe campaign sponsored by Macys. Macys and the make a wish foundation introduced this program to help grant wishes to children with life threatening conditions .Our goal is to demonstrate to our children the value of generosity and kindness.

This year we are inviting students to write their own letter sharing their **wishes for the world**. There will be a mailbox in the school lobby where we will collect these letters and deliver them to Macys. For each letter received, Macys will donate \$1 to the make a wish foundation up to \$1,000,000.00. Please submit all letters by Wednesday December 19<sup>th</sup> . Together we can collect a million wishes for the world and help make wishes come true for children living with life threatening illnesses, a true win win.

Warmest wishes for a magical holiday season.

Mrs. Conner R.N.
