Dear Class of 2020 and Families:

Thank you for your patience as we worked through the challenges of the past few months together. I hope all of you are doing well and are getting excited for graduation day. Each graduate should have received their senior packet at this point and received all the materials that they will need for graduation day. Masks and social distancing will be required for the ceremonies. Each graduate will be allowed to bring a maximum of two (2) guests.
