Dear Parent or Guardian:

NYS requires/mandates physicals for all students in grades K, 1, 3, 5. *If you have not yet turned in your child's physical exam form, please do so as soon as possible.*

If your child has been seen for a well visit at the pediatrician this year, that would meet the state requirement. The NYS physical examination form can be downloaded and printed from the Sachem.edu website, please have your physician complete it. Please fax all physical forms to 631-696-8645, or email them to eguardino@sachem.edu, or send into school with your child.

Thank you for your continued support and cooperation.
