Dear Parents and/or Guardians:

You are cordially invited to attend our 8th & 9th Grade Curriculum Night at Sachem High School East on Wednesday, November 16th from 7:00 – 8:30 pm.

We feel it is very important that we help assist you and your child with the numerous academic decisions that will need to be made in the near future. From experience, we know that academic decisions made by parents and students during their high school years have clear implications as students prepare for further educational, occupational, or military goals after high school.

On Wednesday, November 16th, eighth and ninth grade students and their parents will be participating in a series of curriculum presentations in our Auditorium. Sachem High School East's chairpeople and faculty will be discussing graduation requirements as well as course offerings. It is our hope to provide you with a better understanding of the various elective courses available for your child.

In preparation for this evening, please view department videos on our website prior to the presentation. Videos can be found on the Sachem East webpage under Departments- Course Offering Videos or by clicking [here](#). If you need help on how to input courses into e-school please watch this video by clicking [here](#).

We look forward to seeing you and your child on Wednesday, November 16th in the Auditorium at Sachem High School East. Please bring your chrome books with you to the presentation so that you can input the elective courses that you are interested in.
