

Which team will reign “*SOUPreme*” in this year’s  
Super Bowl?

Will it be the Philadelphia Eagles or the Kansas City Chiefs?

Hello Cayuga Families!

Our school is proud to announce that we are a **National School of Caring**. We’ve partnered with **Souper Bowl of Caring** to create a unique opportunity for our students to join in a national movement of giving and serving.

During the week of **February 6th**, students are being asked to donate **1** can of soup. 100% of the collection will be donated to a local food bank. We will report our total to the Souper Bowl of Caring, so our students become part of the national efforts. Through this experience, your children will learn the power of working together to make a difference in the lives of others.

Help us make this year’s goal a reality as we strive for 100% participation. Let’s give every student the benefit of this positive learning experience! Students will be bringing their soup can(s) to their scheduled Physical Education classes throughout next week.

Thank you in advance for your donations & continued support!

All the best today & always,  
Cayuga’s Building Leadership Team
