North Vs. East

Let's help our local community members in need and have some fun in the process.

Souper Bowl of Caring V is a **Canned Soup** drive (+**Mac n Cheese**) competition between Sachem East and Sachem North that is running the entire month of January. All soup cans must be turned in **by February 9th**. They will be counted on February 12th, 2024.

The winning school will win the **Coveted Souper Bowl of Caring Trophy** and bragging rights for the year! This is a great opportunity for community service and helping those in need!
