Patti Trombetta,
Superintendent of
Schools

Dear Parents and/or Guardians of students in Grades 9-11:

On January 9th and 10th your child will have the opportunity to start to pick their elective classes for next year. Students will listen to presentations from all our departments during their scheduled physical education class. School Counselors will also be there to help the students select their three top courses in e-school and will be following up with students later in the year to finalize their schedule.

In preparation for this event, please view department videos on our website prior to the presentation. Videos can be found on the Sachem North webpage under Departments- Course Offering Videos. Please be sure that your child knows their e-school login information in order to choose their courses. If they do not know their login or password information, please have them contact their school counselor.

We look forward to helping your student in creating their schedule for the 2025-2026 school year. If you have any questions about courses, please contact your child's school counselor.

Sincerely,

James Nolan

Principal

Melissa Piccola
