Andrew Larson,
Assistant
Superintendent for
Student Support &
Administration

June 2025

Dear Sachem community,

We would like to provide you with the following information regarding the middle school scheduling process and some important deadlines to be aware of. School counselors have been hard at work meeting with students to discuss course options and selections for next school year. We strongly encourage you to utilize the parent portal to review your children's 2025-2026 course selections. All course selections have been entered by their school counselor based on student/parent requests and teacher recommendation.

This information is available for all middle school parents to view on the Parent Portal on the following timeline:

- **Monday June 16th through Friday June 20th.**
- **If you would like to make any changes, please contact your child's school counselor no later than Monday June 23rd.**
- If you are unable to review your child's courses or have any questions for next school year, please contact their school counselor as soon as possible.
